DOLCEVITA, FREEDOM and PLEASURE

DOLCEVITA, FREEDOM and PLEASURE

Dolce Vita

Dolcevita is the new swimming pool developed by Laghetto to give the customer great pleasure in its use. It has been designed with great attention to its aesthetic details.

High quality materials make using your Dolce Vita a unique and pleasurable experience.

Laghetto's 30 years of designing and manufacturing pools has resulted in the use of the highest quality materials. The finishes available provide the Dolce Vita customer with a lifetime of wellness and relaxation whilst enjoying their swimming pool. High technology used in its production marries the classic with the customized Italian style in Laghetto's Dolce Vita.

The result is the only swimming pool that fits into most architectural environments, harmonising it with your home and garden.

The advanced technology used in Dolce Vita's design allows it to be installed either as an in-ground pool, partially in-ground, or above-ground. Special components are available to install Dolcevita without major building work.

Thanks to the pool's versatility and to its accessories and options, you will be able to create a Dolce Vita tailored entirely to your own taste

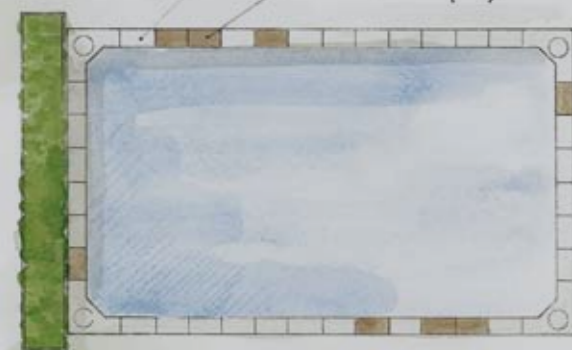

Laghetto's renowned technology guarantees the reliability of the filtering system and quality of clean water.

The exclusive skimmers and the tensile structure lining, softly curved in the corners, guarantee a clean surface and an easy maintenance.

TECHNICAL CHARACTERISTICS

Liner

Coated fabric with specific treatments to provide UV, mould and fungi resistance. Special additives to reduce fabric aging
Tensile strength 430 Kg. / 5 cm. according to rule DIN 53354

Vertical structural uprights

Hot galvanized coated steel and stainless steel feet.

Horizontal structure

Hot galvanized coated steel

Nuts and bolts

Stainless steel

Regulation elements

Stainless steel

Side panels (for in-ground or partially in ground version)

Hot galvanized steel

ACCESSORIES

- › Stainless steel ladder for above-ground Dolcevita
- › Stainless steel ladder for in-ground Dolcevita
- › Vacuum cleaner
- › Cartridge filtering system
- › Sand filtering system
- › Winter cover with elastic bands for above-ground Dolcevita
- › Winter cover for in-ground Dolcevita
- › Thermal floating pool cover
- › White LED spots
- › Coloured LED spots
- › Pool chemicals
- › Double jet counter current swimming system
- › Heat Pump
- › Spa corner with suspended seating for 3 people
- › Multichannel remote control for LED spots, counter current swimming system and spa

AVAILABLE SIZES

Water	total encumbrance	water height
5 x 3	5.70 x 3.70	1.20
6 x 3	6.70 x 3.70	1.20
7 x 3	7.70 x 3.70	1.20
12 x 3	12.70 x 3.70	1.20
7 x 4	7.70 x 4.70	1.20
8 x 4	8.70 x 4.70	1.20
9 x 4	9.70 x 4.70	1.20
10 x 5	10.70 x 5.70	1.20
11 x 5	11.70 x 5.70	1.20
12 x 6	12.70 x 6.70	1.20

Approximate measurements in meters.

The modular structure allows increments in half meters (ie 4,50 x 9,00)
